

La Mondiale Europartner to transfer existing book of international pension plan business to Zurich Eurolife S.A.

Luxembourg, June 8, 2017

AG2R LA MONDIALE and Zurich Insurance Group (Zurich) have developed close relationships for many years, most notably with AG2R LA MONDIALE serving as Zurich's exclusive international network partner in France. To best assist its international clients, AG2R LA MONDIALE has decided to strengthen this collaboration in the international pension market by distributing Zurich Eurolife S.A.'s group pension plans.

In this context, La Mondiale Europartner, AG2R LA MONDIALE's Luxembourg-based subsidiary, announced an agreement today with Zurich Eurolife S.A., a wholly owned subsidiary of Zurich Insurance Group in Luxembourg, which will see its existing book of international pension plans transferred to Zurich during the second half of 2017, subject to regulatory approval by the Luxembourg regulator, the Commissariat aux assurances.

This collaboration will allow AG2R LA MONDIALE to continue to offer clients and partners flexible international pension solutions for their expatriates and mobile employees.

As the French representative of Zurich's global employee benefits network, AG2R LA MONDIALE has made pool, captive and international programs available to customers and intermediaries for many years. This new agreement between AG2R LA MONDIALE and Zurich completes the joint offering to customers and their advisers in France.

Fabrice Sauvignon, CEO of La Mondiale Europartner, said: *"This is fantastic news for our existing customers, who will benefit from transferring to a market leading international pension plan provider with more than 30 years' experience. They will benefit from Zurich's considerable edge in terms of digital capabilities and service excellence."*

Xavier Nevez, CEO of Zurich Eurolife S.A., said: *"I am delighted by this new agreement with La Mondiale Europartner, which will see their existing customers transfer to our international pension plan. We have taken our existing market-leading plan and worked closely to enhance our proposition for the benefit of both existing and new customers. We look forward to a long and successful collaboration."*
